Sample Workshop Outline

I have done a lot of training, but this was different. While we were going through the training we were getting information and at the same time we were putting it into practice.

An Innovista workshop will help you and your team gain clarity on how to overcome the issue that you have identified is holding you back from reaching your vision.

Sample Workshop Outline

Strategy – Getting where you want to go

This workshop is focused on helping teams understand that strategy is a solution to a carefully defined problem, why it matters in ministry and how to build strategy. A combination of input and case studies will help you clarify the questions you need to answer to make your vision a reality. You will then spend time tackling the one issue that will have the biggest impact for your ministry.

Schedule:	
9.30	Welcome – introductions and overview
9.45	Strategy activity – experiencing the topic through a practical exercise
10.15	What is strategy and how is it formed – input and discussion
10.45	Case study – learning from the example of others
11.05	Break
11.20	Case study part two
11.35	Strategy in your context – applying the learning to your situation
12.15	Presentations and group feedback – share your application and get feedback
12.45	Closing questions and evaluation
